

## FREIHOFER'S RUN FOR WOMEN: MEDIA EVENT PARKING

Members of the media have a number of choices in terms of event parking on 6/2. They include:

- The West Side Museum Parking Lot, which is located off Park Avenue in Albany. **An "Official Vehicle" permit is needed for this lot and can be obtained by emailing [ed@rueckertadvertising.com](mailto:ed@rueckertadvertising.com)**

*The Madison Visitor Parking and the Cathedral Parking lots will not be available as Madison Avenue is closed for the event.*

- The East Garage on the corner of Eagle Street and Madison Avenue. Access from I-787 is via the Plaza Exit, then follow the signs to East Garage Parking. Or from the Madison Ave. Exit, take a right onto Eagle St., then enter the garage on right. Event parking is free at the East Garage and will not require an I.D. for admittance.
- The V Lot will be open but **requires ID for admittance**. Trying to access the V Lot for parking between the hours of 8:45-9:45 a.m. has the potential to create traffic problems for miles, affecting the ability of participants to get to the event. We ask that you **not** use or try to access the V Lot during that hour.
